Welcome!

We are so happy that you have joined us for our 13th annual Berkshires Arts Festival.

We have brought together the talents of 175 artists and artisans who have found that the Berkshires offers them a special experience that is different from almost every other art event.

It's here, in the Berkshires, where a passion for the arts is synonymous with the Berkshires culture.

For many of our guests the Arts Festival has become a summer tradition. For those of you who are here for the first time, we hope that you have an enjoyable and gratifying experience.

Twelve years ago the Berkshires Arts Festival was just an idea. Thanks to all of you it has become one of the favorite events for hundreds of artists.

Have A Great Time,

Richard & Joanna Rothbard
